

# SUMMER STOCK UP

POWERED BY

*Kellogg's*

Every year, food pantries across the Battle Creek and Kalamazoo Region are stocked in the winter months thanks to generous donations. But when summer comes, donations drop dramatically and pantry shelves become sparse. This can leave families with limited options during this time of year.

United Way of the Battle Creek and Kalamazoo Region asks local businesses and community members to participate in our Summer Stock Up event to support local pantries and other food-insecurity initiatives throughout the warmer months.

Best of all, we'll do the shopping for you, and make sure that families in our community have access to nutritious food all summer long.

To donate, visit:
